Re: Kohlhaas v. State, S-18210.  
Second Citation of Additional Authority  
Appellate Rule 212(12)

Dear Ms. Montgomery,

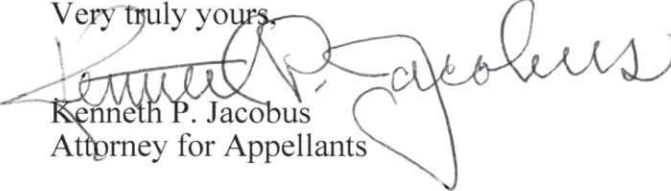

This letter is to provide additional authority in accord with Appellate Rule 212(12). This authority is relevant to the argument that Proposition 2 violates the financial aspects of the parties' rights of free political association by removing them from having influence in the elections which appears at pages 8 to 10 of the opening brief and pages 3 to 6 of the reply brief.

The cited authorities are as follows:

1. Citizens United v. Federal Elections Commission, 558 U.S. 310 (2010)
2. Thompson v. Hebdon, 7 F.4th 811 (9 Cir. 2021), and earlier cases cited therein.

An original and ten copies of this letter will be filed with this Court as required by Appellate Rule 212(12).

Very truly yours,

  
Kenneth P. Jacobus
